

COLLEGE ACCREDITATIONS

College Accreditation

WCTC is accredited by The Higher Learning Commission (HLC) meaning that it meets standards for quality in areas of *Mission, Integrity, Teaching and Learning, and Institutional Effectiveness*. The Higher Learning Commission does not provide specific program accreditations, however, many WCTC programs have independent accreditations from other agencies. Information about HLC Accreditation, including the mark of affiliation, and about specific program accreditations are available and should be referenced for further details at <https://www.wctc.edu/about/facts/accreditation.php>
