

CONTINUOUS STUDENT ENROLLMENT AND DEGREE PROGRESSION

Academic programs at Waukesha County Technical College (WCTC) undergo curriculum changes to keep programs current in technology and accreditation criteria. A student must meet all requirements published in the catalog at the time of **matriculation** for their specific program to graduate. If a student has a break in course registration that extends more than two years, the graduation requirements in effect at the time of readmission into the program will be used to determine the student's eligibility for graduation.

Students seeking readmission should contact the Academic Advising Department.

Phone: 262-691-5400 Email: advising@wctc.edu Location: College Center, C-021

Students may appeal to the program's associate dean to approve a specific curriculum requirements based off previous degree progression, length of break, and change in program competencies.
