

AUTO BODY-CHASSIS & FINISH (405)

405-119. Collision Estimating-Advanced. (1 Credit)

Building on previously obtained skills, develop proficiency in the preparation of electronic estimates including the downloading of estimate files and digital photographs of damaged vehicles. Learn how the estimate generates parts lists, repair orders and technician-specialty repair assignments. Insurance industry processing of totaled vehicles and how it relates to the collision repair industry will be discussed.

Prerequisites: (405-123 (may be taken concurrently) with a minimum grade of C- or 405-101 (may be taken concurrently) with a minimum grade of C-) and 405-127 (may be taken concurrently) with a minimum grade of C-
