

DIGITAL PRODUCTION/DTP

Overview

Digital Production/DTP Technical Certificate

Program Code: 40-204-CB

Gain skills to prepare electronic files for publication including page layout, illustration and image editing software packages. Ensure that jobs can be run correctly on printing and digital presses by learning to preflight, trap and impose documents. You'll learn on Apple computers while completing a variety of hands-on projects.

The minimum required course grades and program grade point average (GPA) for students under this catalog are:

Core Courses = C

Program GPA = 2.0
