

# EMERGENCY MEDICAL TECHNICIAN

## Overview

### Emergency Medical Technician Technical Diploma

Program Code: 30-531-3

For more information: [www.wctc.edu/fire-ems](http://www.wctc.edu/fire-ems) (<http://www.wctc.edu/fire-ems/>)

Emergency medical services providers are the first to respond to emergency calls. In this program, develop the skills and knowledge necessary to assess and manage all types of injuries and acute illnesses, while providing safe and rapid transport to a medical facility. Learn about airway management, bleeding and shock, emergency childbirth and automated defibrillation.

**The minimum required course grades and program grade point average (GPA) for students under this catalog are:**

Core Courses = C  
Program GPA = 2.0

**Build your degree along a career pathway.** Start with a couple of courses or an entry-level credential to enter the job market in your area of interest, then continue with higher credentials on your educational path for job advancement and higher wages.

## Career Pathway

1. Emergency Medical Technician 5
2. Advanced EMT 4
3. Paramedic Technician (Diploma) 38
4. Paramedic Technician (Degree) 60

*This WCTC program prepares students to obtain the required licensure to be employed/practice in the state of Wisconsin. The College does not guarantee its curriculum matches the requirements for preparation, examinations, or licensure for other states.*

## Learning Outcomes

### Program Outcomes

1. Prepare for incident response and EMS operations.
2. Integrate pathophysiological principles and assessment findings for a variety of patient encounters.
3. Demonstrate EMT skills associated with established standards for a variety of patient encounters.
4. Communicate effectively with others.
