GM SERVICE TECHNICIAN

Overview

GM Service Technician Technical Diploma, 45 credits

Program Code: 31-602-4

For more information: wctc.edu/gm-tech

This program addresses the growing need for highly professional, competent technicians in automotive dealerships. Learn on the latest automotive vehicles, components, educational materials and cutting-edge equipment available. Develop knowledge on engines, fuel management, electronics, transmissions/transaxles, brakes and air conditioning.

This specialized program emphasizes repairing, servicing and maintaining vehicles within the General Motors (GM) brand as well as variety of other automotive makes and models.

The minimum required course grades and program grade point average (GPA) for students under this catalog are:

Core Courses = C General Studies Courses = C-Program GPA = 2.0

Build your degree along a career pathway. Start with a couple of courses or an entry-level credential to enter the job market in your area of interest, then continue with higher credentials on your educational path for job advancement and higher wages.

Career Pathway

- 1. GM Service Technician 45
- 2. Automotive Technology GM ASEP Option 60
