

# IT-AZURE AND AWS PUBLIC CLOUD

---

## Overview

IT-Azure and AWS Public Cloud Technical Certificate

**Program Code: 40-150-CR**

Learn to design, manage, secure and budget for a diverse hybrid public cloud infrastructure powered by Microsoft Azure and Amazon Web Services. Explore “as-a-service” offerings, and learn how infrastructure-as-code has transformed IT system delivery. Articulate benefits of the public cloud, and identify hidden cloud costs for use in business justifications.

**The minimum required course grades and program grade point average (GPA) for students under this catalog are:**

*Core Courses = C*

*Program GPA = 2.0*
