Transfer Opportunities After WCTC

Continue on your educational pathway!

Your academic journey can continue at a four-year college or university.

WCTC has credit transfer agreements with many four-year institutions.

These agreements enable WCTC graduates to transfer credits into a baccalaureate program.

For more information on transfer, and to explore the transfer options at WCTC, visit the website's Transfer page at www.wctc.edu/transfer (<http://www.wctc.edu/transfer/>).
